PRESIDENT'S TURN

It's election time! We elect 4 elected officers (President, Vice President, Secretary, and Treasurer), and we also seek volunteers to serve with appointed positions. November is our general business meeting, and the board will present to the membership a slate of officers. Of course, we also happily take nominations from the floor. The slate that will be presented is: Rick Judd for President, Jake

Jacobson for Vice President, Sally Breeden for Secretary, and Mark Smith for Treasurer.

After the general business meeting, we'll turn to our demonstrations. We have several demonstrators showing ornaments and/or presents, just in time for the holidays.

Of course, we'll also have our instant gallery, and I'm looking forward to seeing all the items you've been making.

What about a present for yourself or someone else? Check the newsletter for "how to get 10% off from Penn State Industries," and buy some tools, supplies, or kits.

See you at the meeting!

NMWT BOARD ELECTIONS – CALL FOR NOMINATIONS

Every year at this time we ask for nominations for the Board of Director elections that will be held during the November club meeting. All four Officer positions, President, Vice President, Secretary, and Treasurer are open for nominations. You may nominate any other member or yourself. The Board announced a slate of officer candidates (see above). and any other nominations will be welcome. Votes will be taken by a show of hands by members.

While not voted on, some of the other, non-officer positions are also available. We ask all of you to consider volunteering for these positions. The open positions are: Webmaster and Green Wood Helper. If you are interested in either of these, please contact John Ellis at nmwtwebman@aol.com, or phone him on 505 463-7750 prior to the November meeting.

The Webmaster position will have Dave Stein, a prior Webmaster, as a direct tutor and coach. People interested in that position will benefit from Dave's long experience in the position and his ability to teach all of the information needed. The Green Wood Helper will assist Bob Rocheleau, the Green Wood Chair, in securing wood that has been made available to the club for distribution at meetings.

ANNUAL GIFT EXCHANGE DURING DECEMBER MEETING

The Gift Exchange Process

Members are asked to plan on bringing one or more "gifts" to the December meeting. The gift should be something related to wood turning. It can be a tool, a book, a piece of wood, a finished wood turning, CD/DVD, or anything else that might have similar subject matter.

As people arrive for the meeting, they will be given a gift exchange ticket. Note that everyone attending the meeting is given a ticket, members and guests alike! When the exchange begins, with all the gifts on tables at the front of the room, the person holding the stubs begins drawing tickets. As each ticket is drawn the person holding the number comes to the front and claims any one of the gifts desired. The process is repeated until all stubs have been drawn. As the stubs are drawn, they are kept in a second container. Ticket holders also keep their tickets.

If additional gifts remain, the drawing process starts again with all the stubs that have been held and continues until all the gifts have been claimed. It's possible that additional rounds may

be required if a large number of gifts have been brought by members.

So... dig through your shop (no need to purchase gifts unless you wish to) and find something cool to gift.

OCT DEMO

Michael Andersen - Turning a thin winged jewelry box

Hopefully, you did not miss this demo!

Michael discussed multiple techniques for turning thin walls, and show how to turn a thin graceful form using interrupted cuts and how to use multiple chuck positions to incorporate a box. Some of the techniques are:

Cutting the long side of the blanks at a 10 deg angle makes the end product an interesting shape.

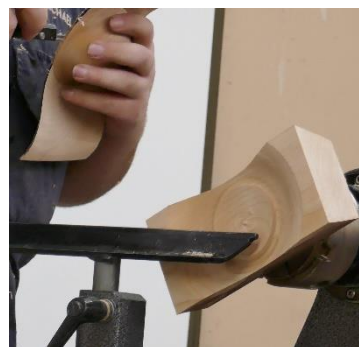

Note shape of the blank. The box is toward the headstock and the blank sides angle at 10 deg from the bottom to the top.

Note the flare in the wings of the final turning. In thro the piece appears to have curves, the sides are really straight and are easy to sand and finish.

Turn the outer wing edges to final thickness in small sections because of the flexing during the shaping. Use a wax marker to indicate the final thickness of the wings. As the piece is spinning you can see the mark and can shape to wings to final shape and thickness.

The sides of lid blank angle 10 deg toward the finial. The fit of the lid should be loose to keep from breaking the wings when removing the lid.

Leaving a "dome" in the lid allows installing the finial and still having a finished lid.

Finial inserted into the lid. When the finial is broken it can easy be drilled out and replaced.

BEADS OF COURAGE

Beads of Courage: The size of the box, as a minimum, must be 6 inches wide x 5 inches deep. These boxes do not have to be round, they can also square. Of course, you can make them larger, to allow the kiddos to put all their beads in a safe place. Go to

www.beadsofcourage.org to see to whom you will be making these boxes. Also, check out this story <https://youtube/WMCcJxO9mnY>. Don't forget to bring your boxes to the meetings and put them into the instant gallery. Scott Eckstein is our official representative for the local hospitals, give him your box(s) for delivery to the hospitals.

NEW MEXICO ARTISAN MARKET

One of our members, Michael Alguire, will be exhibiting at the New Mexico Artisan Market, which runs from November 29 through December 1 at Hotel Albuquerque, 800 Rio Grande Blvd. NW. For more information please go to nmanisanmarket.com/thanksgiving-2019/. Michael's work is fantastic and you will be able to see the variety of what he produces.

SILENT AUCTION

Silent Auction will be held during each NMWT workshop to raise money for a scholarship fund. The earnings from this fund will be used to reduce member's cost of attending hands-on sessions with professional turner-demonstrators at the discretion of the NMWT Board of Directors.

You may place any item that you think will sell in the auction. Bring only items relating to wood-working or woodturning. There will be auction sheets on a table inside the meeting room. Take a sheet, write the name of the item on the sheet and put your item with the sheet. If you want the item to go for a certain amount, put your name and the minimum bid on the sheet. The Auction will be over at the end of the break. Money will be collected for items sold during the last part of the meeting. All money collected will go into the scholarship fund. Items not sold will be returned to the owner and the owner will remove the items from NDBMGC.
