NMWT's Upcoming Monthly Meeting

Club Meetings are generally held 10:00 am to 12:30 pm on the first Saturday of the month

Who: Scott Kershaw

Topic: "Back to the Basics"

When: Jan 3rd @ 10:00 am MT

Where: North Domingo Baca Multigenerational Center
7521 Carmel NE Albuquerque, NM 87113

Please see next page for more information regarding guest speaker(s)

President's Turn

M a r k M i l l e r

NMWT Members,

Another new year is upon us, and I think we have a lot to look forward to in the coming year. Hopefully, the coming year allows us to settle into new routines that allow us to take advantage of the changes that we implemented in 2026. Of course, we are likely to continue to make improvements and to flesh out and fine tune the new website and turning event schedule. But I think we have taken care of the "big stuff", at least for the immediate future. Anyone interested in helping with any of the programs we have in place should contact me or another board member. We have a lot of things that I need to hand over to other people (at least in part).

Mark Miller
President

The first turning event at JCH was well attended with 17 members participating in one way or another. We had a minor delay in getting into the building, but when we did, we found that the staff at JCH had unloaded the lathes from the trailer for us, which was a huge surprise and more than offset the delay in gaining access. A HUGE thank you to Mike and his group at JCH, including Chuck, Tom McLarty's son in law and the VP at JCH who came in from Virginia!!!

Upcoming Meeting

B a c k t o t h e B a s i c s

A l e x C o t t e r

In January, we will go “back to basics” with Scott Kershaw. He will show basic tool techniques, easy work holding methods, how to get clean cuts and more to get you up and running in the new year.

Turning for Troops

L a r r y L i n f o r d

Okay, folks! The time has come to finish the NMWT 2026 Turn for Troops project. I need all pens turned in by the January meeting.

There are 6 members who have not turned in their pens, which means we are 60 pens short of meeting our goal of 245. Since the pen kits were donated to us, please help us meet our obligation and finish those pens.

Some of you may have simply run out of time. Others may have actually forgotten they have the kits. Please look around your shops and see if you can rediscover a bag of kits you misplaced. If you cannot submit completed pens by January 3, please return the kits to me and I'll redistribute them.

You can drop off completed pens or kits at my home - 969 Antelope Ave NE, ABQ - or bring them to the meeting. If you have any questions or comments, please contact me at ldlinford@yahoo.com, or 505-870-1601.

Larry Linford

Future Programs/Activities

Feb 7th	Rex Funk	Add Ons & Gee-gaws (texturing & finials)
Mar 7th	Hy Tran	Safety & Lathe Maintenance
Apr 4th	Tom Durgin & Larry Linford	Power carving and pyrography

NMWT Monthly Board Meeting

Open to all Members

When: January 28th, 2026 @ 7:30 pm

Contact info@nmwoodturners.org or any board member for more info or the Zoom link

President's Turn (Continued)

M a r k M i l l e r

The January meeting will mark the return to “normal” meeting structure. The instant gallery will be back, as will the raffle. And, we will have another demonstration by Scott Kershaw, this time on basic turning skills. We also hope to have a turning event or “class” to allow practice of the techniques demonstrated by Scott, but the date has not yet been set. I will send out an email as soon as the date is finalized. For those new turners who need a bit of help or direction, please send your request for your most pressing need (e.g., I need help maintaining bevel contact when using a bowl gouge on the interior of a bowl) to Scott, Alex, and Me (email addresses are available on the new website).

A meeting of the executive committee will be held in January, but the date is not yet set. This meeting is a long-term planning meeting at which we will also set the 2026 budget. Anyone who would like to offer suggestions are free to attend, but you will need to let Alex know that you want to participate so she can include you in setting the date/time/location of the meeting. You can also send your suggestions in leu of attending to me or just give me a call so I can be certain I understand your suggestion/concert/proposal. My phone number is 505 350-8584.

Please check out the new club website: NMWoodturners.com (yes, that is COM). The old website is still the “active” one, NMWoodturners.org, but we will be transferring that domain to the new site vers soon. We ask for your help in pointing out what needs attention. Look for uniformity and uncompleted content specifically. The “store” is still in test mode, so nothing is billed. If you want to test that out, you can use credit card number 4242 4242 4242 4242 and any future date for the expiry and CSV.

And finally, we also need to welcome a new treasurer, Bert Tate, and extend our sincerest gratitude to Woody Stone, who served the club as treasurer for the last four years. We may not see a lot of Woody for the next couple of months as he will be taking advantage of his newly found freedom to do some traveling. Thank you, Woody!!!

Sorry for the length of this month’s entry and hopefully I will see you on January 3rd.

Mark

Silent Auction

C o n t a c t : N M W T T r e a s u r e r

We love to have nifty items or pieces of timber that can be auctioned at our next meeting to support the Scholarship Fund.

Potential ideas include rough turned bowls, gouges gathering dust, seasoned blanks or turning accessories.

Your contributions go to benefit the **Red Hollenbach Scholarship Fund** which is used to reduce the cost for members to attend professional demonstrator's hands-on sessions.

If you are seeking an handcrafted donation for your charitable organization, please email a request to: info@nmwoodturners.org

NMWT on Social Media

The New Mexico Woodturners are on Facebook and YouTube

Facebook is just one way to share your work. However, it's also a great platform to ask questions, request constructive criticism and rub shoulders with other turners.

Various members of the NMWTs moderate the social media accounts and promote the craft and our club actively on these outlets.

A number of the Facebook group members are not NMWT members and that's okay! However, by our NMWT membership being active on social media we can also share the benefits of club membership, promote club activities and foster relationships with turners around the globe.

Please join the Facebook group, subscribe to the YouTube channel and watch us grow turning!

Newsletter Submission

Got a great idea, tip, or trick that you'd like to share?

We'd like to read about it.

What do you need to do?

Write up a description, brief or in-depth, and include a few photos if possible to better detail your idea.

If you like or use a certain webpage or a YouTube channel, please write about and site your source.

Please send articles to news@nmwoodturners.org

Disclaimer: Articles submitted aren't guaranteed a spot in the next issue, but they will be published if educational criteria is met and as it fits organizational needs.

Beads of Courage – NMWT’s 2026 Challenge

Our Challenge and Goal:

For each club member to take the time and heart to make at least one Beads of Courage Box during 2023

What is Beads of Courage?

Beads of Courage (BOC) is the NMWT’s Community Service Project. Beads of Courage, Inc. is a 501 (c) (3) tax exempt organization working in partnership with the American Association of Woodturners (AAW).

[Official Guide to Beads of Courage – Woodturners Wanted](#)

This is Local!

Our Beads of Courage Bowls are taken directly to UNMH Children’s Cancer Facility here in Albuquerque for local patients. However, some bowls can also be sent to a National collection point in Tucson, Arizona.

UNMH Children’s Cancer Facility has been treating nearly one hundred seriously ill cancer youngsters each year. For each medical treatment a child receives, he or she gets a bead which they can then keep in their bowl, hence Beads of Courage Bowls. The children do receive a bag to put their beads in, but a Beads of Courage Bowl is far more special and reflective of the hard work to beat cancer!

NMWT currently produces approximately 8 bowls a year and it would be great to see that number increase exponentially.

For more information regarding the program, where to purchase beads, or where to deliver your finely crafted bowl, please see:

Women in Turning

Try out an American Association of Woodturners (AAW) membership for 3 months!!

We know you will be hooked!

AAW Membership Application

WIT (Women in Turning) is "dedicated to encouraging and assisting women in their pursuit of turning, sharing ideas and processes to further member's skills and creativity, and increasing participation of women in the field of woodturning."

The AAW WIT Committee agrees that to further this mission, we can work with chapters to help grow the number of women in AAW. Currently, women comprise less the 9% of AAW membership.

To encourage women to join AAW, the WIT Committee offers a limited number of WIT sponsored half price AAW memberships to women for a one-year, full "General" AAW membership.

Eligibility To be eligible, a grant recipient must be a woman and who has never previously been a member of AAW.

Process Only the chapter AAW WIT Liaison, Shana Lane, chapter president or vice-president may request the grant. After we've received the application, the recipient will be sent a promotional code with instructions on how to use the code in applying for an AAW membership. If you have questions, please email wit@woodturner.org.

Limitations

If the nominee is a new member of a local chapter (within the last two months), WIT will pay 100% of the AAW membership.

If the nominee has been a member of a local chapter for more than two months, WIT will pay 50% of the AAW membership.

If the nominee is not a member of a local chapter, WIT will pay 50% of the AAW membership.

Grants are currently limited to no more than two women, per chapter, per quarter.

Quarters end January 31, April 30, July 31, and October 31. Based on the number of requests, this limitation may change.

We hope that this offer will be an incentive for new women woodturners to join your chapter.

Women in Turning

WIT Update

A u t h o r : S h a n a L a n e

Our NMWT WIT group got together in early December for a potluck and to plan our meeting topics for 2026. All of these topics will be appropriate for all levels and we'll include instruction for new turners as needed at each meeting. We will continue to meet on the second Saturday of each month at 1:00 pm. These small group gatherings are held at various members workshops so anyone interested in participating can contact Shana for details. WIT events are open to everyone.

January 10: *Beads* - this project idea came from Turned Connections which is a national WIT project that was kicked off at the Rocky Mountain Woodturning Symposium back in September.

February 14: *Finishing techniques on textured surfaces* - we'll be exploring various painting and finishing techniques on the textured pieces we created in November and also the beads from January.

March 14: *Simple lidded boxes* (spindle orientation)

April 11: *Kits* - possibly to include mechanical pencils, pens, and seam rippers

May 9: *Kitchen utensils* - rolling pin, honey dipper

June 13: *kitchen continued* - pastry press, biscuit cutter

July 11: *kitchen continued* - bowls, mortar and pestle

August 8: *kitchen continued* - scoops, salt and pepper shakers

September 12: *kitchen continued* - bottle openers, bottle stoppers

October 10: *Holiday ornaments*

November 14: *Spinning tops*

December: *Potluck and ornament exchange*

Happy holidays and best wishes for a year full of inspiration and creativity!

**Reminder - please keep turning wig stands! I will bring more blanks to the January meeting or feel free to use your own. Thank you to Bob Clancy who generously donated wood for the project.

What we offer is access to the AAW site and wonderful monthly magazine, and a group of engaged and enthused turners!

Join the private
[Facebook](#) group page
[Women in Turning](#) to
get ideas & support.
AAW membership is
not required.

Women in Turning (WiT) -- The
AAW strives to deliver the
publications and services that our
members need to grow, connect,
explore, and thrive in the areas of
woodturning that are important
to them.

[Guest Membership](#)

**ALSO – join the AAW
with a guest
membership** so you
can see what else WiT
and AAW

By signing up for a complimentary Guest membership, you can have access to AAW resources for a full 60 days. You will be able to explore what the AAW has to offer, kick our tires, and hopefully decide to become a full-fledged, paid AAW member to benefit from everything the AAW has to offer.

For information on the NMWT Women in Turning group, please contact our local WIT Liaison Shana Lane at 505-270-6442.

Article

Holyoke Fire Hydrant

Rick O'Ryan

Stabilized rotten oak is some of the prettiest wood I have had the good fortune to work with. This is a gray oak interpretation of a Holyoke fire hydrant. The design is from the late 1800s, when Holyoke was purchased by Norwood Engineering. Norwood continued to make hydrants with the name The Holyoke on them. I had in mind doing some more design work on this but the wood was too pretty to impose my ego on it. The stabilization process involves drying the wood as dry as I could get it, preferably oven dry, then submerging in thin, low viscosity stabilizing resin, and pulling a vacuum on it to remove air. After some nebulous period of time, several hours or more, release the vacuum and allow atmospheric pressure to force the resin into the wood fibers. Next day, remove from the resin and allow to drain. Then, bake at 200 for two hours to set the resin. When turning it, the wood and resin comes off as grainy powder. 3-5/8 x 7-7/8 high. 1366.

Article**Woods of New Mexico Exhibit Approved****Rex Funk**

Larry Linford and I were informed by Open Space Visitor Center staff that our proposal for a Woods of New Mexico exhibit in the OSVC gallery has been approved. As of this writing we are waiting to hear if our request for an October-December timeframe is also approved. The exhibit will feature 30 to 60 handcrafted pieces made from woods found in New Mexico. It will be a Juried show with entries selected by Larry and I and Dionne Epps, manager of the Open Space Visitor Center. NMWT members are encouraged to enter work featuring the State's wide variety of woods. Besides turnings we will be looking for furniture, boxes, sculpture, and useful items. We will also accept entries from other clubs and the general public. Time frames and procedures for submission are being worked out. I am compiling a list of woods of interest and will post it soon.

The proposal includes displays such as "Log to a Bowl", a map showing where the wood comes from in the State, and the historic use of these woods by New Mexicans. Turning demos are also a possibility on weekends during the show. We will be calling on members to help with locating display cases, publicity, demos, preparing displays, and setup and takedown of the exhibit. This is a great opportunity to educate the public about our unique woods and the art and craft of woodworking.

Membership Renewal

Membership Dues

Membership dues renewals are due on or before the last day of the month in which the member's current membership term expires. Members who do not renew within thirty (30) days after their membership expiration date will no longer have access to member privileges and will no longer receive the monthly newsletter. Annual dues are as follows:

One year: \$30 for an individual; \$35 for a family
 Two Years: \$55 for an individual; \$65 for a family
 Three Years: \$75 for an individual; \$90 for a family
 Lifetime: \$300 for an individual; \$350 for a family

Additional Fees

1. An individual member who subsequently adds family members will pay the difference between the individual dues and the family dues rate for the remainder of that membership year (i.e., a one-year individual member adding family members would pay an additional \$5.00 dues for the remainder of the membership year).
2. A member requiring a mailed copy of the monthly newsletter will pay an additional \$10 per year to cover cost of mailing.

Renew Online

We are very pleased to announce that you can now pay your membership dues with a credit card on the NMWT website at:

<https://nmwoodturners.com/membership>

To access online dues payment, simply go to the new "Membership" tab near the top of the homepage and select "Pay Online" from the drop-down menu. This will take you to a secure website managed by Converge, our credit card service provider. There you will find a series of "Buy Buttons" that are clearly labeled with each membership dues option. Simply select the dues option that you want and then hit the "Checkout" button.

You will need to fill in all of the contact information on the payment processing page so that the Treasurer can confirm that our membership records are up to date and also so that he can send your new membership card by regular mail. Also, due to some reporting limitations of the Converge website, you will need to once again select the dues option you want from the drop-down menu labeled "Items Purchased". Fill in your credit card information and hit the "Submit Payment" button to complete the transaction. You should receive an "Order Confirmation" with full details of your purchase by e-mail, and the Treasurer will mail your membership card to you. That's all there is to it!

[Web-Based Credit Card Dues Payment Now Available](#)

Renew by Mail

You can, of course, still mail a check along with current contact and e-mail information to our **Treasurer, Bert Tate, at 7812 Executive Dr. NE Albuquerque NM 87109.**

The easy way to do that is to go to that same new "Membership" tab on the NMWT homepage and select "Membership Form" from the drop-down menu.

Fill in the form (**PLEASE PRINT CLEARLY**) and mail it to Bert with your check. Should you have any issues or questions regarding the new Credit Card payment system or if you are not sure if your membership expires, then feel free to call Bert at 505-980-4540 or e-mail him atkc5vwt@gmail.com

Scan our QR code to access our webpage

How to Contribute to High Desert Turning

The NMWT’s newsletter editor has submitted High Desert Turning to the AAW’s 2020 and 2021 Best Chapter Newsletter Contest. Unfortunately for the NMWT, High Desert Turning has not been selected in the top 3 chapters either year. However, the NMWT chapter website won 1st prize in 2020 for the Best Chapter Website Contest. So, we know it’s possible to rank highly among the numerous chapters of the AAW. Much of the website content can be found in High Desert Turning.

So, now you ask, “What is in it for me?” Well, we will get to that. But first, our ask is this:

Here’s what’s in it for you:

Submit a short snippet, article or outline of a shop tip or trick you use. You’ll be surprised by how many folks will benefit from your personal idea or solution
 Take 2, 3, 4 or 5 photos of your process, pieces or how your tip or trick comes together to illustrate how the membership can implement your idea in their shop
 If appropriate, share credit where credit is due should you have benefited from a social media post, YouTube video or viewing an in-person demonstration.

You are inspiring dozens upon dozens of other turners implement shop solutions that ease their way and improve their flow and turning
 You have ideas and solutions that many folks likely envy and would benefit from knowing. There’s gratification in uplifting fellow turners

The club has a large tote of exotic, seasoned and figured timber that was acquired during lockdown and you will be free to select a piece of your choice for every published tip or trick. The tote has wonderful turning stock and you can rifle through it for your choice.

Please consider contributing to the NMWT newsletter High Desert Turning! No tip too elementary and no trick too simple will go unpublished. We count on you to make our newsletter awesome. Please send your contribution to news@nmwoodturners.org
