ANNUAL MEETING

The Annual Meeting will be held at 9:30 AM until 10:00 AM on the first Saturday of November at North Domingo Baca Multigenerational Center (NDBMGC), 7521 Carmel NE, Albuquerque NM. The Agenda for the meeting will be:

1. Proposed revisions to the NMWT Bylaws. Attached to this email is a summary of proposed changes.
2. Election of chapter Officers for 2019. A slate of Board nominations will be published in the November newsletter and nominations will be accepted from the floor.

NEXT REGULAR NMWT MEETING

Nov 3, 2018
10:00 A.M. to 12:30 P.M. at North Domingo
Baca Multigenerational Center (NDBMGC),
7521 Carmel NE, Albuquerque NM

Turn a fuzzy Christmas tree with Phil Weaver!

It's that time of year when our thoughts 'turn' to the holidays and fun gifts we can make. At this month's demo Phil will demonstrate "Turning a Fuzzy Christmas Tree" and discuss wood selection, important for a fuzzy result. Tools; chuck, roughing gouge, spindle gouge, specially ground skew, and parting tool."

FUTURE PROGRAMS/ ACTIVITIES

Nov 3	ANNUAL GENERAL MEMBERSHIP MEETING AND TURNING A FUZZY CHRISTMAS TREE
Dec 1	GIFT EXCHANGE

PRESIDENT'S CENTER

It's almost a year since I was elected president of New Mexico Woodturners, and I still don't have a twitter account! Remember that we now meet at the **new club meeting location**, at North Domingo Baca Multigenerational Center (NDBMGC), 7521 Carmel

NE, Albuquerque NM. The doors open at 9:00am, and the meeting will run from 9:30am to 12:30pm.

To get to NDBMGC: From Paseo Del Norte, go to Wyoming. Turn North on Wyoming to Carmel, turn left on Carmel, then, take the second driveway to the right into the parking lot for NDBMGC. Currently, our meeting room is at the NE end of the building on the first floor.

We have a very busy and important meeting in November. We start with our business meeting. You should all have received a separate e-mail about our business meeting. We will discuss and vote on bylaws changes. These changes will, we hope, make the club easier to operate. Then, we will open floor nominations for the elected officers (President, Vice President, Secretary, and Treasurer), close nominations, and vote for the 2019 elected officers. Then, we do the regular demonstrations.

I will have some promotional materials about the American Association of Woodturners, if you are not a member of AAW. In addition to all the other benefits, chapter members (that's you!) who are also members of AAW can participate in a drawing for a scholarship to a professional class, at locations such as Anderson Ranch in Colorado or Arrowmont in Tennessee. We will draw names of interested participants for the scholarship drawing at the December meeting.

Our December meeting is our annual program planning meeting and gift exchange. If you want a voice in what you would like to see the club do in 2019, please participate in the program planning.

Safety: I'd like to remind everyone to use protective equipment when turning—I specifically use safety glasses under a face shield. I've had a juniper bowl "self-disassemble" while I

was turning. The face shield and safety glasses saved me from a nasty headache (or worse).

Lastly: Our November demonstrator (after we get all the general business done) is Phil Weaver. Phil is a life member of our club; he is also an excellent teacher and mentor. I've seen his miniatures, his goblets, his staved mugs, and his turned-and-carved bowls. I don't know what he's demonstrating, but I'm sure you'll find it entertaining and instructive.

OCTOBER PRESENTATION

Turning with a natural edge - John Ellis, Jake Jacobson and Hy Tran

They started with show-and-tell with some pieces and photos. Then discussed types of natural edge: Side grain (natural edge bowls) and end-grain (natural-edge goblet-like, with or without stems), and irregular burls. Preserving the bark vs removing the bark. Age of wood, type of wood, whether the wood was harvested in spring or autumn/winter. Ways of helping bark stick.

Then demonstration on cutting and mounting (and remounting) the blank to retain symmetry during turning. Roughing the bottom side & forming the tenon. Direction of cut ("wrong direction") at the rim to prevent rim tear out. Turning the inside. Reversing (again) and cleaning the foot

DELANCEY STREET FOUNDATION

Please consider donating pen blanks, kits and mandrels and sanding materials for a worthwhile project with the not for profit Delancey Street Foundation in Espanola. A 1/2 day donation of your time to visit with the Foundation and the wood shop would be lovely, and to show them how pens are made and assembled.

While visiting the "Ranch" as it is called, you can see the wood working shop, turning, upholstery, car repair and event space and gardens the residents support. They also have a moving company and rescue horses that the residents care for and train. And of course, the annual Christmas Tree lots around the state.

To learn more about the Foundation, please visit Delancey Street Foundation, <http://www.delanceystreetfoundation.org> and take a look at this wonderful treatment center. Contact is Kathy Knorr, kathyknorrSF@gmail.com or 847-819-2515. Thank you!

BEADS OF COURAGE

Beads of Courage: The size of the box, as a minimum, must be 5 inches wide x 6 inches deep. These boxes do not have to be round, they can also square. Of course, you can make them larger, to allow the kiddos to put all their beads in a safe place. Go to www.beadsofcourage.org to see to whom you will be making these boxes. Also, check out this story <https://youtube/WMCcJxO9mnY>. Don't forget to bring your boxes to the meetings and put them into the instant gallery. Scott Eckstein is our official representative for the local hospitals, give him your box(s) for delivery to the hospitals.

SILENT AUCTION

Silent Auction will be held during each NMWT workshop to raise money for a scholarship fund. The earnings from this fund will be used to reduce member's cost of attending hands-on sessions with professional turner-demonstrators at the discretion of the NMWT Board of Directors.

You may place any item that you think will sell in the auction. Bring only items relating to wood-working or woodturning. There will be auction sheets on a table outside the WWS meeting room. Take a sheet, write the name of the item on the sheet and put your item with the sheet. If you want the item to go for a certain amount, put your name and the minimum bid on the sheet. The Auction will be over at the end of the break. Money will be collected for items sold during the last part of the meeting. All money collected will go into the scholarship fund. Items not sold will be returned to the owner and the owner will remove the items from Woodworkers Supply.
